SELECTMEN'S FOREWORD

This is my 12th year as selectman serving the Town of Marlborough and it has been as challenging and rewarding as my first. We are fortunate to have a great community with people willing to give their time and talents for the betterment of the town.

We had planned to complete the Gates Road project in the summer of 2008. However, with the Department of Fish and Game input, the State Resources Board denied our permit because of the repair technique. In the summer of 2009 we will revert to the original repair design, which has been re-approved.

Early 2008 we chose AECOM of Belmont to identify the possible location for a new well and begin the permitting process. A number of test wells have been drilled and a probable site for a new well was identified. This project will continue through 2009.

The investigation of possible water infiltration into the sewer system is an on-going project. Water and sewer rates are reviewed annually to ensure capital reserve funds are adequate to support operation of the systems.

The ice storm in December was an extreme test of the town's emergency services. Bob Cameron, our Emergency Management Director; Chief Allison Woods-Baker, Marl-Harris Ambulance; Police Chief Lyons and Fire Chief Manning all should be commended for their work to keep emergency services running smoothly during the storm and through the following twelve days as power was being restored. The highway department, as usual, did a professional job of opening up roads and clearing trees. At the initiative of the Federated Church, the Community House was opened as a warming center and was manned from 8:00am to 8:00pm everyday. We would like to thank all the volunteers who gave their time to provide hot food, water and friendly conversation.

2009 is going to be an economic challenge for us all and we can work through it together. Marlborough is a small community where people can help others and it seems that in hardship we grow closer and stronger.

Thanks for being my neighbor,

Lawrence Robinson
Chairman, Board of Selectmen

TOWN OFFICERS/EMPLOYEES

TOWN OF MARLBOROUGH
2009 WARRANT AND BUDGET

2009 TOWN WARRANT
Town of Marlborough
State of New Hampshire

To the inhabitants of the Town of Marlborough, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting and elections will be held at the Marlborough School Gymnasium in said Marlborough on Tuesday the tenth day of March 2009. The polling area for questions to be decided by official ballot will be in the gymnasium. The Polls will open from 1:00 p.m. until 9:00 p.m. to act on the following subjects to be considered upon the official ballot:

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

Further, the voters are notified that the Town business meeting will begin at 7:00 p.m. to act upon the following:

Article 2: To see if the Town will vote to raise and appropriate the sum of Nine Hundred Ninety-five Thousand Dollars ($995,000.00) for the construction of two new wells, which will include all associated equipment such as pumps, well-house and controls, decommission the current Well #2 and discontinue the current Well #1 and to authorize the issuance of not more than $995,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof, and to authorize the Selectmen to take any other action or to pass any other vote relative thereto and to authorize the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available. The repayment of this bond will be 70% from the Water Fund and 30% to be raised by taxes. Recommended by the Board of Selectmen (2/3 ballot vote required).

Article 3: To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred Thousand Dollars ($1,200,000.00) for the construction of one new well, which will include all associated equipment such as pumps, well-house and controls, renovation of the current Well #2, discontinue the current Well #1 and relocate Fitch Court and to authorize the issuance of not more than $1,200,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof and to authorize the Selectmen to take any other action or to pass any other vote relative thereto, and to authorize the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available. The repayment of this bond will be 70% from the Water Fund and 30% to be raised by taxes. Recommended by the Board of Selectmen (2/3 ballot vote required).

Article 4: To see if the Town will vote to raise and appropriate the sum of One Million Six Hundred Thousand Dollars ($1,600,000.00) for the purpose of contracting with the City of Keene for water service, which would include construction of the new lines necessary for such connection and to discontinue both existing Well #1 and #2 and to

authorize the issuance of not more than $1,600,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof and to authorize the Selectmen to take any other action or to pass any other vote relative thereto and to authorize the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available. The repayment of this bond will be 70% from the Water Fund and 30% to be raised by taxes. Recommended by the Board of Selectmen (2/3 ballot vote required).

Article 5: To see if the Town will vote to raise and appropriate One Million Six Hundred Thirteen Thousand One Hundred Seventy-one Dollars ($1,613,171.00)) which represents the recommended operating budget for the year 2009. The sum does not include the warrant articles addressed.

Article 6: To see if the Town will vote to raise and appropriate up to the sum of One Hundred Eighty-one Thousand Dollars ($181,000.00) for the purpose of repairing the culvert at Gates Road, which crosses Robbins Brook. One Hundred Eighty-one Thousand Dollars ($181,000.00) to be used from unreserved fund balance. (Majority vote required).

Article 7: To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars ($9,000.00) for the purpose of funding The Community Kitchen. (Majority vote required)

Article 8: To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Nineteen Dollars ($2,619.00) for the purpose of funding Monadnock Family Services. (Majority vote required)

Article 9: To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Dollars ($13,000.00) to be added to the Police Cruiser Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by the Board of Selectmen (Majority vote required)

Article 10: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars ($20,000.00) to be added to the Fire Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by the Board of Selectmen. (Majority vote required)

Article 11: To see if the Town will vote to raise and appropriate up to Forty-two Thousand Dollars ($42,000.00) for the purchase of a One-ton Truck. The sum of Thirty-two Thousand Dollars ($32,000.00) to come from the Heavy Equipment Capital Reserve and Ten Thousand Dollars ($10,000.00) to be raised by taxes. Recommended by the Board of Selectmen (Majority vote required)

Article 12: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars ($15,000.00) to be added to the Town Reassessment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by the Selectmen. (Majority vote required)

Article 13: To see if the Town will vote to raise and appropriate up to Three Thousand Nine Hundred and Fifteen Dollars ($3,915.00) for the purpose of pruning thirteen trees, remove a dead maple tree and inoculate two maples trees infested with "Leaf Spot" at the Frost Free Library. (Majority vote required)

Article 14: To see if the Town will vote to authorize the Trustees of Trust Funds, in cooperation with the Board of Selectmen, to sell its interest in real property located in Roxbury, New Hampshire, which was conveyed to the Trustees of Trust Funds through the Estate of Ernest W. Frechette. All proceeds due to the Trustees of Trust Funds from this conveyance will be deposited into the Ernest W. Frechette

Scholarship Fund, in accordance with Ernest W. Frechette's Last Will and Testament. The Trustees of Trust Funds are the current trustees charged with overseeing the Ernest W. Frechette Scholarship Fund by order of the Cheshire County Probate Court. Recommended by the Board of Selectmen and Trustees of Trust Funds. (Majority vote required).

Article 15: To see if the Town will vote to authorize the Board of Selectmen to transfer to the Marlborough School District 3.34+/- acres of land owned by the Town near Fitch Court, as shown on a plan entitled "Boundary Line Adjustment Between Land of the Marlborough School District, Map #12 Lot 55 and Lands of the Town of Marlborough, Map #12 Lots 15, 29, & 30, revised February 10, 2009" for the purpose of constructing an elementary school as approved by the Marlborough School District. Said plan is available for public examination. (Majority vote required).

Article 16: To see if the Town will vote to discontinue the Economic Development Capital Reserve, which was established in 1998, Article 11. This article was not funded; therefore no funds will be transferred to the unreserved fund balance. (Majority vote required).

Article 17: To hear reports of Town Agents, Auditors, and Committees.

Article 18: To transact any other business that may legally come before this meeting, or take any action thereon.

Given under our hands and seal this 23rd day of February, in the year of our Lord, two thousand and nine.

Report of the Town Clerk/Tax Collector

The year 2008 was the busiest, most hectic year that I have experienced as your Town Clerk/Tax Collector. The combination of the changes to the way that Motor Vehicle registrations are processed; higher delinquencies, foreclosures and bankruptcies and all the monitoring that these issues require; and the four elections with record Voter turnout, made for many nail biting moments. The additional fact that we continue to travel outside of Town for banking remains the most time consuming problem that we have, and one that there does not seem to be an apparent solution to.

On August 28, 2008 the Town became an Online Municipal Agent for Motor Vehicle registrations. Aside from the few inconveniences this change brought about, it does enable us to complete the State portion of more vehicles here in Town, eliminating the need for owners of heavier vehicles traveling to Keene to complete these transactions. We are also now able to issue a greater variety of plate types, including vanity. Please remember to bring all of your expiring registrations with you that you wish to renew.

Tough financial times are being felt by us all, as evidenced by the higher overdue balances that I am seeing, particularly on water and sewer accounts. If you are unable to pay your full balance by the due date, any partial payments that you can make helps to keep the balance that interest is being charged on to a minimum. If you have any questions regarding your balances, please contact me at 876-4529. Please pay close attention to any statements or notices that you receive regarding your balances, and contact me if you have any questions.

If you have any suggestions for ways that I may better provide you, the Residents of Marlborough, with the service that they expect and deserve, please let me know.

In closing I would like to take this opportunity to thank Heidi Laffond, my deputy, for her assistance throughout the year, as well as to thank all of the Town's departments that I work closely with.

Respectfully Submitted,

Ellen J. Orkins
Town Clerk/Tax Collector

REPORT OF THE TRUSTEES OF TRUST FUNDS

The enclosed "Report of the Trust Funds of the Town of Marlborough" provides a detailed look at the Funds' status as of December 31, 2008. They total $1,972,480 on a market value basis and provided supplemental income to many of the Town's departments and organizations.

The Trust Funds' investment portfolio was not immune from 2008's depressing market performance where the Dow Jones 30 Industrials declined about 32% and Standard & Poor's 500 Index declined about 37%. However, because of the conservative nature of the Trust Funds' portfolio, its decline was about 13% on a net basis.

The housing and mortgage issues of 2007 had a major impact on broader financial problems in 2008. Major companies were bailed out by the US Government, went into bankruptcy, were acquired by other companies, or struggled to survive. Job losses became significant. Credit became very tight. The National Bureau of Economic Research said that we entered a recession in December 2007.

Financial problems will continue in 2009. Financial markets are forward looking and hopefully we will see this tenet surface on the plus side in 2009. In this market atmosphere two investment strategies mentioned last year are worth repeating, and they are diversification and a long-term time horizon.

Respectfully submitted
Wayne Crowell, Rufus Frost and Charlton MacVeagh

Report of the Police Department

The Marlborough Police Department staff consists of three full-time officers, a part-time administrative assistant and two school crossing guards. We are able to provide twenty-four hour coverage except when an officer is on vacation or attending training. New Hampshire State Police Troop C or a neighboring town will provide coverage in our absence.

Our officers are knowledgeable, motivated, courteous and dedicated to the service of Marlborough. They're well trained and able to handle any call that comes their way. Officers have worked incidents from negligent homicide to traffic fatalities.

I'm excited to announce our newest member. In November, we welcomed aboard Pam Snelling as our morning crossing guard. Pam is handling her assignment well and we look forward to working with her for years to come.

Patrolman Steve Berry is currently working towards becoming a certified nationwide accident reconstruction specialist. This course is broken down into three, two-week courses at the New Hampshire Police Academy. Upon completion, Patrolman Berry will be able to work any accident from beginning to end. Most small police agencies have to rely upon the state police.

Detective LaMears received a Letter of Commendation from Chief Walker of the Keene Police Department for his quick action in taking control of the scene and life saving attempt at the LP tanker accident on NH Route 101 at Branch Road in February. Detective LaMears also received a Letter of Commendation from Chief Lyons of the Marlborough Police Department for his superior investigative skills and diligence that helped bring the tragic farm accident at Corbett Creek Farm to a close.

We participated in the NH Route 101 Corridor Speed Enforcement Program again. The saturation of participating towns along NH Route 101 was a success. Catching violators near the end became more difficult which was our goal. We hope to participate again in 2009 and add NH Route 124 upon approval of the New Hampshire Highway Safety Agency. Officers also participated in the Combating Underage Drinking Enforcement detail, which resulted in several arrests. This grant is made available to town police departments throughout Cheshire County.

Manner of operation complaints continue to rise each year. This complaint comes from motorists who call into dispatch on their cell phone to report the manner in which another operator is operating their vehicle. Usually, we find that the operator is talking on their cell phone and not paying attention causing them to weave within their lane or follow another vehicle too closely.

The department answered 117 animal complaint calls this year. Several of these calls required officers to transport stray animals (sheep, dogs, cats) to the humane society in Swanzey. I'm not in favor of transporting dirty or potentially diseased animals in our cruisers, which creates a number of issues. I would like to see the town support the hiring of a part-time animal control officer. This would eliminate officers from the transportation issue and free them up for time to spend on other duties.

There was a significant increase in the number of calls for service. We answered 1,956 compared to 1,246 in 2007. While many crimes went up, burglaries went down from 15 to 3.

Administrative Assistant Rebecca Hokanson is in the office Monday through Thursday 8:30 AM to 2:30 PM. Rebecca is available to take simple reports, assist applicants with pistol permits, fulfill records requests for accident and incident reports and vacant house check forms.

We have Marlborough Police magnets with our phone numbers available at the station. Please stop by and pick one up for your home or business. Sorry that the phone company continues to omit us from the phone book.

The Marlborough Police Department enjoys its close working relationship with Town Administrator Sandy LaPlante, Welfare Officer Cindy Molesky, Town Clerk-Tax Collector Ellen Orkins, Deputy Town-Tax Collector Clerk Heidi Laffond, Health Officer Tina Torelli, Marlborough Highway Department, Marlborough Fire Department, Marl-Harris Ambulance, Marlborough School and New Hampshire DOT Section 412. Thank you all for your solid support.

I'd like to welcome our new Emergency Management Director, Bob Cameron. Bob was able to get his feet frozen during the ice storm in December. We look forward to working with Bob and assisting him with updating the town's emergency operation plan.

Donations

- Detective LaMears and Chief Lyons attended Partnerships for Safe Schools at the Vermont Police Academy in August. Our lodging at the academy and meals were paid for by a caring school employee, $125.00.
- A caring Marlborough resident purchased a new hand painted sign in April that was erected above our entrance, $792.00.
- Hampshire Fire Protection in Swanzey recharged our fire extinguishers that were used during emergency situations for no charge.
- Korvin Appliance in Keene gave us a significant discount on the purchase of a new evidence refrigerator for our evidence room.
- Tri State Crematory in Troy destroyed drug evidence for the department at no cost.
- Inkberry provided the department with three framed Chief's Letter of Commendations that were issued to three investigators for their work on the Corbett Creek Farm case.
- The department received medical supplies and defibrillator pads from a caring Marlborough business worth a couple hundred dollars.
- We received $500.00 from the Local Government Center (LGC) to begin our accreditation process and completion of SOG's.

We are very thankful for the donations received from citizens and local businesses.

Grants

- NH Route 101 West Corridor Enforcement Patrols, New Hampshire Highway Safety Agency, $3,232.19
- Combating Underage Drinking Enforcement Details, obtained through the Cheshire County Sheriff's Office, $2,154.25
- Stinger Spike Mat for third cruiser, New Hampshire Highway Safety Agency, 50/50 matching funds, $239.97
- Accreditation process start up, Local Government Center (LGC), $500.00
- Detective LaMears attended an Identity Theft course in Conway, NH, US Attorney General's Office, $150.00
- Detective LaMears attended a Property Room Management course, Manchester, CT, New Hampshire Police Standards and Training Council, 2/3 matching funds, $314.82

I have been serving as your police chief for three years. My position serving the citizens of Marlborough and leading the police department continues to be enjoyable and rewarding. I've been able to accomplish numerous goals and I constantly strive for us to become the best small town police department in New Hampshire. We are currently working on updating our SOG's and have started the process of becoming a state accredited law enforcement agency.

Respectfully submitted,
Chief Christopher J. Lyons

REPORT OF THE HEALTH OFFICER

The role of the health officer is to enforce the New Hampshire public health rules and regulations and the local public health ordinances. The health officer serves as a link between state officials and the community on issues concerning local public health.

Sandra LaPlante has been named deputy health officer for the purpose of covering the position in the event of the health officer's absence.

Services provided during the year 2008 included:

Home Inspection for Foster Care	1
Inspection of Licensed Day Care Facility	1
Inspection of property littered with trash bags and other refuse capable of attracting animals, rodents and flies and causing a potential public health threat	3
Inspection of miscellaneous sanitation issues and complaints	10

The above were addressed and were found satisfactory or were resolved.

The requests for investigation of problems relating to lack of adequate sanitation practices are received from tenants, landlords, neighbors and town officials.

In addition to the above-mentioned issues, serious sanitation deficiencies existing in a private dwelling were reported to the health officer by town officials in June. Many of the sanitation issues have been addressed by the owner but another inspection is needed in the spring.

I am very grateful to Police Chief Lyons, Fire Chief Manning and Fire Lt. Laffond for their cooperation and support. In addition to identifying a problem, they submitted photographs and willingly gave of their time and knowledge to try to resolve a complex situation. I also greatly appreciate the support and assistance of the selectmen and of Sandra LaPlante.

Louise Merchant Hannan serves as NH Health Officer Liaison and is a good resource for NH Health Officers. She has made several trips to Marlborough from Concord to meet with the selectmen or to assess a problem and her support and expertise is always appreciated.

My term as health officer ends on 9/29/09 and anyone who would be interested in assuming the position is encouraged to contact the selectmen. It has been a pleasure to serve the residents of Marlborough for the past twelve years and to work with many of the department managers who have always been most pleasant and helpful.

Respectfully submitted,
Justine Torelli
Marlborough Health Officer

REPORT OF THE HERITAGE COMMISSION

Our Mission: The Heritage Commission is dedicated to preserving and protecting those features of our community, which are significant resources relative to our historic, cultural and aesthetic qualities, and to promoting the recognition and use of these resources for the benefit of present and future generations.

The Heritage Commission had a busy year in 2008 with the completion of several projects to maintain and improve some of our town's heritage sites, each one an important asset and a part of our community's "21 Cornerstones." The following projects were completed this year.

- Maintenance work was done at a couple of our historic town-owned sites: the wooden structure at the Bell Tower and the entry railings and deck at the Maynard-Gates House were retreated with preservative/sealer.
- A bronze plaque was installed at the Bell Tower, replacing an original etched granite plaque, which was vandalized three years ago. The attractive new plaque describes the Monadnock Blanket Mill, a major manufacturer of horse and camp blankets which were made on that site for over 80 years (dating back to 1869)
- A former garden area at the Maynard-Gates House had become overgrown with blackberry brambles and was cleaned up for replanting, either for flowers or grass.
- Brush was removed from the abutments at the Webb Depot bridge and along the border with Rt. 101 at the Maynard-Gates House
- At the Meeting House Site, the north side boundary stonewall which borders the cemetery was repaired for a distance of about 150 ft.
- Also, at the Meeting House Site, the major project this year was the clearing of about 30 trees with the approval of the adjoining landowners, to enhance and protect the wonderful view of Mt. Monadnock.
- A new placemat, using the design of the interpretive panel at the Meeting House Site, was purchased for use at public meals put on by town organizations at the Community House

Another activity of the Commission this year occurred in October, with a co-sponsored special program on "The Importance of Preserving Historic Stone Walls", a very informative power-point lecture by Dr. Robert Thorson, Geology Professor at the University of Connecticut. This program was planned and co-sponsored in collaboration with the Marlborough Historical Society and the Historical Society of Cheshire County; and was held at the facilities of the latter organization in Keene with over 80 people from the area in attendance. This was an initial step in the Commission's efforts to increase public awareness about preserving and protecting stone walls, a feature of our town and the New Hampshire landscape and throughout New England, and a significant part of our region's early settlement --- indeed, a part of our heritage.

The Heritage Commission

Richard Hill

CEMETERY REPORT

We would like to thank the following people for doing an excellent job in maintaining all five of the Town's cemeteries.

First of all, thank you Mike Ball for serving as the sexton and overseeing the cemeteries. Next, thank you Debbie Durocher and Leon Durham for doing an excellent job of mowing this past summer, also for filling and seeding an area in the East Cemetery.

Also we were fortunate to have David Fairfield opening and closing the graves this year. It is difficult to find somebody that has the time during the middle of the day to accommodate burial arrangements. Thank you David for your services.

The December ice storm brought down limbs from the trees that are on the top of the old tomb at the Meetinghouse Cemetery. Fortunately no grave stones were damaged that can be seen in the snow. There is money left from the budget that has been encumbered to remove several of the trees off the tomb.

Last of all, we had nine pine trees removed from the East Cemetery. Some were rotted in the center. How fortunate that they were removed before the December ice storm as we can visualize extensive damage in the cemetery.

Respectfully submitted,

Rita Grace

Barbara Woodward

Edward Woodward, Sr.

MARLBOROUGH ENERGY COMMITTEE

In 2008 the Marlborough Energy Committee completed the town's energy audit for its public buildings. The results were presented to the Selectmen and they are taking steps to work on the Town Office building first, finding where they can save energy and money. Other projects the Energy Committee worked on this year:

- At the 2008 Town Meeting the Committee gave away over 100 CFLs (Compact Fluorescent Lights) donated by area merchants.
- We sponsored a contest for the Middle School students, with the help of science teacher Jeannie Butler, to design a T-shirt with the theme of saving energy/ helping the environment. In the fall these designs were displayed at the school's Fall Festival.
- Also at the Fall Festival cloth tote bags were given away with donations requested to cover costs.
- A neighborhood energy group met to share ideas on saving energy. One person reported back that she had saved her family 16% on their electricity bill by following some of the suggestions!
- The Energy Committee had a representative on the Building Committee for the new school. They requested that the architect look at alternative energy for the new building, which he did. Both geothermal and wood pellet heating systems were researched and the architect was able to incorporate a wood pellet system into the design. Many other aspects of energy conservation, such as lighting and solar heating, were also discussed.

*Fluorescent bulbs need to be recycled but they are considered hazardous waste. They can be brought to the Keene Recycling Center on hazardous waste days, they can be brought to Home Depot in small quantities, or they can be brought to the Federated Church, which will collect them and deliver them to one of the recycling locations mentioned above.

REPORT OF THE PLANNING AND ZONING BOARDS

Last year was rather low key, with a relatively small number of applications for public hearings. We had no subdivisions at all.

Among actions taken by the Planning Board in 2008 were discussions and recommendations for updating an intersection and two public crossings on Rt. 101 based on the new transportation section of the Master Plan. The Planning Board also reviewed and discussed a new Access Management Review, which will be incorporated into site plan regulations.

The Planning Board approved boundary line adjustments for John and Phylis Manning at 64 and 74 Terrace St., and Thomas F. and Kelly J. McKenney at 9 Old Trestle Rd.

After site plan reviews, the Planning Board approved the addition of 13 new units at the mobile home park on Ryan Rd., a veterinary healing center at 418 Main St., a massage therapy business at 174 Main St., and a used-car dealership at 755 Rt. 12. Approval was also granted to construct a 200 ft x 50 ft metal building at Marlborough Greenhouses on Jaffrey Rd., and to raise and sell livestock at 27 Canada St.

The Zoning and Planning Boards conducted joint hearings for variances, special exceptions and site plan reviews. After deliberation, approval was granted for the addition of six antennas to an existing cell tower at 400 Old Chesham Rd., and altering an existing structure and constructing another at 288-290 Main St. Approval was also granted to enlarge a non-conforming use at a recycling facility at 716 Rt. 12.

This past year, Polly Pattison asked to serve as an alternate Planning Board member due to scheduling conflicts. We welcome Byard Miller as her replacement as a full member. Kathy Oliver continues to do an excellent job as our secretary.

Both Boards value the input and concerns of the public. To serve you, a Board representative will be available for consultation by appointment on Monday evenings from 7-9 p.m. Advance appointments may be made through the Selectmen's office at Town Hall (876-3751) or the Town Clerk (876-4529).

Respectfully submitted,

Ken Kerber, Chairman
Planning Board

Frank Buckbee, Chairman
Zoning Board of Adjustment

EMERGENCY MANAGEMENT REPORT

The following are some of the ongoing projects which began in 2008:

The National Incident Management System (NIMS) compliance survey required by FEMA and NHHSEM was completed. This survey is a tool used to evaluate local municipality compliance with mandated objectives by the towns' fire, police, public works, school and emergency management departments.

Some areas requiring additional attention were noted by the survey. Among them were:

a. *Training:* the category of "first responders" was expanded and some employees need to complete the Introduction to ICS training course. Course materials have been provided for this purpose.
b. *Preparedness:* Training exercises need to be conducted and documented for different emergency scenarios. The survey results that were submitted reflect that the school has been conducting drills and exercises on a regular basis. however, a more comprehensive program involving all town agencies needs to be developed.

The Ice Storm of 2008 showed how the community could pull together in emergency situations. The response by all town departments was outstanding. The local community stepped up to help without hesitation.

One thing that became apparent as a result of the Ice Storm was that a better system of organizing and using volunteers is necessary. This is especially critical during widespread emergencies. Consequently our town hosted a meeting of area EMD's with Volunteers NH to discuss the Citizen Corps program.

The Hazard Mitigation Plan will be updated in 2009. We have submitted a request for an Emergency Management Performance Grant (EMPG) to complete this effort.

The Emergency Operations Plan (EOP) is also required to be updated in 2009. Work has already begun on preparation of a draft rewrite. This plan is the heart of the emergency management function. It will require much coordination and effort between the various town departments. An EMPG will also be requested for this project.

An effort is being made to prepare a more efficient EOC operation. The goal is to have a fully equipped center ready for activation at a moment's notice, complete with adequate equipment and established procedures. Furniture and equipment are being donated or loaned by town agencies and individuals to meet this need. Being mindful of budget restrictions, we have been coordinating with the RTC to identify equipment that could be salvaged and rebuilt for permanent EOC use. These efforts have resulted in a computer being available for the EOC, which will soon be able to provide dedicated Internet access. Amateur Radio Equipment is on loan and an effort is underway to identify other administrative support equipment that may be available for the EOC message room.

Procedures, SOP's and SOG's will be developed as a by-product of our efforts to update and revise our emergency plans.
In summary, improving our emergency response capabilities is an on going project, however, it is one that everyone is anxious to contribute to. I would like to thank everyone for the help and advice that has been offered over the past few months!

Bob Cameron
Marlborough EMD

REPORT OF THE FIRE WARDS

2008 was a busy year for the Marlborough Fire Department. We responded to 128 calls during the year. This compares to 115 calls in 2007 and 96 calls in 2006. A breakdown of the 2008 calls is as follows:

Type of Call	Number	Type of Call	Number
Structure Fires	3	Vehicle Fires	3
Vehicle Accidents	28	Mutual Aid	39
CO/Fire Alarms	14	Wires Down	9
Assist Ambulance	3	Brush Fires	4
Chimney Fires	8	Other Calls	11

Included in the above calls were several serious incidents, including a major house fire and multiple calls related to the severe ice storm that hit our area. In addition, our members assisted neighboring towns in fighting several major fires.

The fire wards continue to look at upgrading our equipment. Changes in current standards require that we upgrade or replace our self-contained breathing apparatus, much of which is over 20 years old. The Fire Wards will begin the process of choosing and acquiring new SCBA's in 2009, utilizing the department's capital reserve fund.

In 2008 we began a formal training program for our members through Fire and Emergency Training Consultants. This program is designed to provide state of the art training structured to the needs of the town. These trainings have included classes on fire ground operations, pumps, vehicle extrication and SCBA's.

We again extend our sincere appreciation to the Fire Company, Ladies Auxiliary, Marl-Harris Ambulance Squad, Police and Highway Departments, Selectmen and Community for their continued support and cooperation.

The current officers of the department are:

Chief: John Manning
Deputy Chief: Steve Thomas
Captain: James Bleau
1st Lieutenant: Michael Laffond
2nd Lieutenant: Allen LaPlante

We currently have 27 dedicated members, but continue to have a need for new volunteers. We provide all of the required equipment and training. Any resident who has any questions about becoming a member, or is interested in joining, should contact any current member for details.

The Marlborough Fire Wards

John Manning
Steve Thomas
Michael Laffond
Harry Brake
Matt Patnode

REPORT OF FOREST FIRE WARDEN

Dear Townspeople,

This year was a slow Forest Fire season. We responded to 3 small brush fires in our town, but we were called upon to aid neighboring towns. We issued approx. 175 Burn Permits to kindle outdoor fires, and responded to several calls for advice on placement of burn piles, and materials to be kindled.

Please keep in mind that a permit is needed for outdoor burning. When there is a **sufficient snow cover**, burning is permissible **without** a permit as long as material being burned meets the requirements of NH laws, and Southwestern NH Fire Mutual Aid is notified (352-1291). Informational pamphlets are available to answer the most common questions and explain the laws that deal with outdoor burning. Please feel free to pick up a pamphlet at the Town Office, Transfer Station, or the Frost Free Library.
I would like to thank my Deputies: Mike Goodwin, John Manning, Matt Patnode, Steve Thomas for their time and cooperation.

If you have any questions, feel free to call either myself, Mike Laffond 876-4224, Chief John Manning 876-3904, or Deputy Chief Steve Thomas 876-4052. We will be happy to answer any questions you may have.

Hope we have another safe year.

Thank you,
Michael F. Laffond
Forest Fire Warden

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at **www.nhdfl.org.**

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39-acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildlands fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more the just trees. Homeowners should take measures to prevent a wildland fire from spreading to their homes. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2008 FIRES STATISTICS

MARL-HARRIS AMBULANCE

Marl-Harris Ambulance Squad was very busy responding to 164 calls within the towns of Marlborough & Harrisville during the fiscal year of October 2007 through September 2008. Not one of the EMS providers received any compensation, and, not one of the people needing our service received a bill!

How are we able to do this? There is no question that the generosity of our friends and neighbors makes the difference! With the ever increasing amount and cost of training required, the expense of necessary equipment upkeep & replacements, and the direct out of pocket payments to DiLuzio Ambulance for the Paramedic services they provide for our patients needing such… we certainly could not remain a free service without all of you!

However, we need to look realistically into the future. We have taken initial steps to evaluate the need for billing for our services, investigating this as a means to generate revenue while still keeping our service free to the residents of Marlborough and Harrisville. This exploratory phase will be thorough and thoughtful, and thus will take time. We will be sure to update you on this as we proceed through this process.

Also, we couldn't do what we do without the direct support of many amazing people, to whom we are most appreciative! These folks include:

- ✓ Two outstanding groups of volunteers who comprise our Medical Team & our Board of Directors, who give countless hours in many ways, enabling Marl-Harris Ambulance to continue to provide high quality care to our neighbors & friends!
- ✓ Personnel on Marlborough & Harrisville Fire/Rescue, who provide us with incredible assistance on scenes on a regular basis!
- ✓ Law Enforcement in both towns, who are our trusted partners in many emergency situations!
- ✓ DiLuzio Ambulance & Keene Fire Department management & staff, who provide needed Paramedic Care for our more serious patients, and respond to our calls when we are unavailable to do so!
- ✓ And, last, but certainly not least of all, all our family members, friends, & neighbors, who support us in too many ways to count!!

On behalf of everyone on Marl-Harris, we wish all a safe & healthy 2009.

Respectfully submitted
Phylis M. Manning, President of the Board

Board of Directors:

Phylis Manning,EMT-I, Pres.	John Northcott, Vice Pres.
Helen Wilson, Secretary	Dino Drakiotes, Treasurer

Deputy Chief:	J. Eric Hood, EMT-B
Captain:	Sandra LaPlante, EMT-I

Squad Members – Medical & Non-Medical:

Amber Chamberlain	Neal Collier
Katie Coutts, EMT-B	Dino Drakiotes
Mike Goodwin, EMT-I	Kelley Gray, EMT-B
Leland Gray	Tom Havill
Allen LaPlante, FR	Christopher Lyons, FR
Brendan Manning, EMT-B	John Manning, EMT-B
Phylis Manning, EMT-I	J. D. Morse, EMT-I
Darren Naeck, EMT-B	Roger Packard, EMT-B
Scott Ryan	Kaitlyn Tarr, EMT-B

PS Help needed!!! We are actively seeking volunteers who are willing and able to get directly involved with our organization. Not only do we need Medical Personnel, we also need folks to serve as directors on our Board &/or to participate in Committee work! Interested people need only leave a message on our answering machine (876-3382), or get in touch with anyone above. Thank you!

REPORT OF THE RECREATION COMMITTEE

In 2008 the Board of Selectmen appointed Mark Chamberlain to fill the position left open in 2007

Beginning in the spring, we continued working on several areas in need of attention including the ball fields, pavilion, town beach. The second basketball hoop was put on hold pending the new school project.

At the ball fields we had our annual clean up day to rake the fields, cut and removal of brush, repairing dugouts, finishing attaching the yellow fence top protectors and prepared the ball fields for the Baseball Season.

At the town beach we raked the beach and picnic area and removed brush. In the spring of 2009 new picnic tables and grill will be installed. The new buoys were put up and we slightly increased the swimming area to provide safety for our town's children. We are still looking into ways of renovating the parking area to address erosion and safety concerns. The repair of the fence behind the boat landing parking was discussed and added to the 2009 budget.

Each summer the Recreation Committee puts on a picnic lunch for the seniors of our town. Once again we had the occasion professionally catered and the event was well received by the participants. The committee sent the seniors on a fall foliage tour to northern Vermont leaf peeping. This trip was also well received and will happen once again in 2009.

Youth activities in the spring: we had 45 girls participate in the Allison Barden softball League, and 27 boys and girls participated in the Swanzey Cal Ripken Baseball League. In the fall, Brian Bunce took over as the soccer program director. We had 70 children participate this year. The basketball program extended an invitation to the Town of Harrisville. We had 48 children, including 6 from Harrisville, in the program. We would like to thank all the volunteer coaches who put forth their time and energy helping the children of Marlborough learn the skills of these sports as well as good sportsmanship. We could not continue these programs without you.

Recreation Committee,
Dean Ferranti, Tim Miner, Mark Chamberlain, Dan Mitchell, Brian Bunce

2008 Annual Report of the Monadnock Advisory Commission

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept donations. MAC is a primary funding source for search and rescue supplies and equipment.

Monadnock Manager Andrew Zboray (2000-2008) was promoted to a new position as the Assistant Regional Manager of the Great North Woods Management Area in August. Former Monadnock Assistant Manager Patrick Hummel was promoted to Park Manager in his place. A new Assistant Manager, Sue Tirrell began working in November. Since the resignation of Allison McLean, as Director of Parks, Ted Austin has been named to that position.

At the annual MAC meeting in November Manager Hummel reported on trail maintenance and major projects within Park headquarters and Gilson Pond. Much of this information was made irrelevant by the ice storm of December 11th. Monadnock State Park is now CLOSED to hikers and campers and will remain so indefinitely until areas can be cleaned up and trails made safe for hikers. Park staff is being assisted by personnel from the Division of Forests and Lands, SPNHF and officially trained volunteers. The Division of Parks website www.nhstateparks.org will have updates of progress made and note when areas are officially reopened.

Commission Members:
Ann Royce, Chair – Jaffrey
Ernie Linders – Marlborough
Ed Germain – Dublin
Donald Upton – Troy
John Smith – Jaffrey
Polly Pattison – Marlborough
David Adams – Troy
Robin Haynes – Fitzwilliam

Official Representatives or Designees:
Ted Austin – Director of Parks
Ken Desmariais – Div. Forest & Lands
Geoff Jones – SPNHF
Patrick Hummel – State Park Manager
George Bald – Commission of DRED

Report of the Frost Free Library

The Frost Free Library has seen some changes over the past year including the departure of Director Cynthia Muse and Vesta Hornbeck. We still have Vesta as a familiar face at the library providing leadership for some programs. Thank you both for all your contributions!

Jane Richards-Jones has continued to be a welcoming presence as assistant librarian and Kathleen Ash began in the new position as Director.

Visible changes were the installation of a standing seam roof by a local company and the installation of new, more efficient light fixtures in the older part of the library.

Our programs are continuing to be quite popular. New for 2008 was a gardening series provided by area Master Gardeners, family board games programs, a G'Day for Reading Australian themed summer program, afternoon movies for children and a WWII Veterans program featuring interviews of our local WWII veterans. These interviews are archived in DVD form and available for patrons to check out. Area residents have brought much to our programs as well: Polly Pattison brought a nature tracking program, Mary Frost lead a Yoga series, Lisa Bunce continues to lead monthly and special event scrapbooking programs, Elizabeth Gordon led a Tai Chi series, Alan Crofut of Unbridled Chocolates helped us continue our 'foodie' tradition, and Bob Powers of Cheshire Floral provided instruction on decorating with greens. We continue to offer ongoing: the library tea, book discussions, story time for pre-schoolers, and the summer concert series.

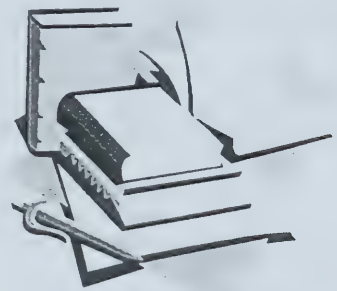
Our hardworking Friends of the Library continued to provide much in the way of support this year, decorating for holidays, assisting with volunteer projects, delivery of books to the homebound, and running the Columbus Day Weekend Book Sale. Make sure to see the new, larger and sturdier book bags they have made available for purchase at the library. Volunteers assisted in the library over 300 times throughout the year, providing invaluable assistance.

It is enlightening to look at the year through the numbers.

- The Library welcomed **160** new registered patrons compared to 149 last year.
- The Library had **12,565** visitors compared to 11,784 last year.
- Patrons took out **16,979** up from 15,456 materials last year and requested **901** Inter-Library loan services up from 821 in 2007.
- Program attendance was **1,892.**
- **1,638 people** used the computers in 2008.

We at the library – the staff, our trustees, volunteers and the Friends - thank you for a wonderfully busy 2008 and look forward to an equally rewarding 2009.

Kathleen Ash
Director, Frost Free Library



HCS – HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF MARLBOROUGH
JANUARY 1, 2008 TO DECEMBER 31, 2008
ANNUAL REPORT

In 2008, HCS – Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Marlborough. The following information represents HCS's activities in over the past twelve months.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	964 Visits
Physical Therapy	332 Visits
Speech Pathology	11 Visits
Occupational Therapy	57 Visits
Medical Social Worker	54 Visits
Home Health Aide	705 Visits
Chronic Care	3,050 Hours
Outreach	16 Visits
Meals-On-Wheels	5,855 Meals
Health Promotion Clinics	11 Clinics
Age in Motion	102 Sessions
Prenatal and Child Health Services	22 Hours

Total Unduplicated Residents Served: 108

Prenatal and well child care, adult day health care, hospice services are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2008 with all funding sources is projected to be $511,727.00.

These services have been supported in the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2009, we request an appropriation of $8,750.00 for home care services and $2,808.00 for the Meals-On-Wheels program and $500.00 for the Age in Motion Program.

THE COMMUNITY KITCHEN, INC.

Number of clients served 01/01/08 to 10/31/08 at the Pantry:
Unduplicated individuals: 5,783
Unduplicated households: 2,318

Number of those who were Marlborough residents:
#Unduplicated individuals: 160
Unduplicated households: 64

Number of above Marlborough clients served who were under age 19: 141
Number of above Marlborough clients served who were over age 59: 39

Number of Pantry boxes distributed 01/01/08 to 10/31/08: 30,485
Number of those Pantry boxes distributed to Marlborough residents: 1,101

Number of meals in pantry boxes distributed 01/01/07 to 10/31/08: 657,137
Number of those meals in pantry boxes distributed to Marlborough residents: 20,700

Estimated dollar cost, per client served, 2007: $48.69
Calculated using $533,790.00 total cash expenses, 11,754 total clients
Estimated dollar cost, per meal served, 2007: $0.601
Calculated using $533,790.00 total cash expenses, 770,941 total meals

Cost to Community Kitchen of pantry meals provided to Marlborough residents, at $.61 per meal through 10/31/08: $12,627.00

Percentage of total pantry box meals provided to residents of Marlborough: 3.15%

Please note that the numbers provided on this page are actual numbers of January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 40,647 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

Discounts based on a residents ability to pay & other discounts: $37,688.80

In addition to the above discounts current outstanding And uncollectible resident balances: $38,079.04

REPORT OF THE WELFARE ADMINISTRATOR

2008 showed an increase in requests for welfare assistance. More families are having difficulty making ends meet due to companies laying off and/or cutting back their workforce. Due to the many rental properties in Marlborough, request for rental assistance remains high. Other services requested were for fuel, food, gas, utilities and prescription assistance.

To aid in relieving some of the burden from Marlborough taxpayers, I continue to refer clients to outside agencies such as NH Family Services, Southwest Community Services, SHARE, WIC, TANF, The Community Kitchen, St. Vincent DePaul, The Salvation Army & local food pantries.

Once again, a special thanks to Toys for Tots, The Federated Church, The Salvation Army, Sons of the American Legion, Ladies Auxiliary Post 24 and the Coutts & Croteau American Legion for providing their time and generosity. I would like to offer a special "thank you" to Lois Croteau, Jeanne Packard & Phil Clark for the many hours they volunteer each and every year to help make life better for our residents in need.

Respectfully submitted,
Cindy Molesky
Welfare Administrator

Minutes of the Town Meeting
Of the Town of Marlborough New Hampshire
Year 2008

Moderator John Fletcher declared the voting polls of the Marlborough Town Meeting open at 1:00 PM on Tuesday, March 11, 2008. He presented the empty ballot box to the election workers and Citizens present and announced that voting could begin. The polls are scheduled to close no earlier than 9:00 PM.

The Moderator convened the deliberative session of the meeting at 7:05 PM. The Moderator let those present through The Pledge of Allegiance.

The Moderator requested that Selectmen's Chairman, John Northcott introduce those seated at the head table. Mr. Northcott introduced himself, Selectmen Lawrence Robinson, and Selectman Gina Paight. Also seated at the head table was Town Clerk/Tax Collector Ellen Orkins.

The Moderator asked if there were any objection of those present to hear any reports or information necessary to conduct tonight's meeting from Librarian Kathleen Ash, Chief of Police Christopher Lyons, Patrolman Steven Berry, and Sandra LaPlante, Administrative Assistant to the Board of Selectmen; as they are not residents of the Town of Marlborough. The voice vote was in the affirmative to allow input from Kathleen Ash, Chief Lyons, Officer Berry, and Administrative Assistant LaPlante.

The Moderator announced that the Presiding Moderator's Rules would govern this evenings meeting. Moderator Fletcher proceeded to explain the rules for the evening, after which The Moderator moved to the Warrant Articles, stating that the meeting was currently operating under Warrant Article I and would be doing so until the closing of the polls at 9:00 PM:

Article 1: **To choose by ballot all necessary Town Officers for the ensuing year.**

Further, the voters are notified that the Town business meeting will begin at 7:00 p.m. to act upon the following:

Article 2: To see if the Town will vote to raise and appropriate the sum of One Million Five Hundred Seventy Seven Thousand One Hundred Fifty Two Dollars ($1,577,152.00) which represents the recommended operating budget for the year 2008. The sum does not include the warrant articles addressed.

Moved: John Northcott Seconded: Gina Paight

John Northcott made the motion to amend Warrant Article 2, by increasing the total amount by $10,500 to $1,587,652.00. Motion to amend seconded by Lawrence Robinson.

Mr. Northcott spoke to the amendment, stating that the increase was needed due to the number of winter storms this year.
Voting on motion to amend took place, passing with a voice vote in the affirmative.

Presentation of the budget followed, with the Board of Selectmen thanking the Advisory Budget Committee for their help in the preparation of the budget about to be presented.

Being no questions from those present, Warrant Article 2 moved to a vote.

Passed: Voice vote in the affirmative.

Article 3: To see if the Town will vote to raise and appropriate the sum of Eight Thousand Five Hundred Dollars ($8,500.00) for the purpose of funding The Community Kitchen. Recommended by Board of Selectmen. (Majority vote required).

Moved: Lawrence Robinson Seconded: John Northcott

Mr. Robinson spoke to his motion.
Passed: Voice vote in the affirmative.

Article 4: To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Nineteen Dollars ($2,619.00) for the purpose of funding Monadnock Family Services. Recommended by Selectmen. (Majority vote required).

Moved: Gina Paight Seconded: Lawrence Robinson

Gina Paight spoke to her motion.

Voice vote passed in the affirmative.

Article 5: To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars ($12,000.00) to be added to the Police Cruiser Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority vote required).

Moved: John Northcott Seconded: Gina Paight

Mr. Northcott spoke to his motion.

Passed: Voice vote in the affirmative.

Article 6: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars ($20,000.00) to be added to the Fire Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority vote required).

Moved: John Manning Seconded: Michael Laffond

John Manning spoke to his motion.
Passed: Voice vote in the affirmative.

Article 7: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) to be added to the Heavy Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority Vote required)

Moved: Lawrence Robinson Seconded: John Northcott

Mr. Robinson spoke to his motion.

Passed: Voice vote in the affirmative.

Article 8: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars ($15,000.00) to be added to the Town Reassessment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by the Selectmen. (Majority vote required)

Moved: Gina Paight Seconded: Lawrence Robinson

Mrs. Paight spoke to her motion.

Passed: Voice vote in the affirmative.

Article 9: To see if the Town will vote to raise and appropriate the sum of up to Twenty Thousand Five Hundred Dollars ($20,500.00) for the purpose of repairing the culvert at Gates Road, which crosses Robbins Brook. Recommended by the Selectmen. (Majority vote required).

Moved: John Northcott Seconded: Lawrence Robinson

John Northcott spoke to his motion.

Passed: Voice vote in the affirmative.

Article 10: To see if the Town will vote to raise and appropriate the sum of up to Twenty Thousand Dollars ($20,000.00) for the purpose of tree removal at the East Cemetery. Recommended by the Selectmen. (Majority vote required).

Moved: Rita Grace Seconded: Lawrence Robinson

Rita Grace Spoke to her motion.

Passed: Voice vote in the affirmative.

Article 11: To see if the Town will vote to raise and appropriate the sum of up to Thirteen Thousand Dollars ($13,000.00) for the purpose of upgrading the fire alarm system at the fire station. Recommended by the Selectmen. (Majority vote required).

Moved: John Manning Seconded: Michael Laffond

Mr. Manning made the motion to amend Article 11, lowering the amount of the Article to $3,000. Mr. Manning presented to the Moderator a request to amend Article 11, signed by five registered voters of the Town of Marlborough. Motion to amend seconded by Lawrence Robinson.

Mr. Manning spoke to his motion to amend.

Vote on motion to amend Article 11 passed: voice vote in the affirmative.

Article 12: To see if the Town will vote to raise and appropriate the sum of up to Twelve Thousand Dollars ($12,000.00) to replace the generator at the fire station. Recommended by the Selectmen. (Majority vote required).

Moved: John Manning Seconded: Mike Laffond

Mr. Manning spoke to his motion.

Passed: Voice vote in the affirmative.

Moderator Fletcher now returned to Article 11, stating that he needed to correct a Moderator error. The vote to amend had passed and now a vote needed to be taken to vote on Warrant Article 11 as amended.

Warrant Article 11 passed as amended: Voice vote in the affirmative.

Article 13: To see if the Town will vote to raise and appropriate the sum of up to Thirteen Thousand Five Hundred Dollars ($13,500.00) for the purpose of installing a Double Locked Standing Seam Roofing System on the 1967 addition of the Library with Seven Thousand Dollars ($7,000.00) coming from the Library Trust Funds and Six Thousand Five Hundred Dollars ($6,500.00) to be raised by taxes. Recommended by the Selectmen. (Majority vote required).

Moved: Rufus Frost Seconded: Molly Badrawy

Rufus Frost spoke to his motion.

Passed: Voice vote in the affirmative.

Article 14: To see if the Town will vote to adopt the provisions of RSA 41:14a relating to Acquisition or Sale of Land, Buildings, or Both. Recommended by the Selectmen.

Moved: John Northcott Seconded: Lawrence Robinson

Mr. Northcott spoke to his motion.

Passed: Voice vote in the affirmative.

Article 15: To see if the Town fill vote to modify the income qualification for elderly exemptions from property tax in the Town of Marlborough, based on assessed value, for qualified taxpayers, to be as follows: The taxpayer must have a net income of not more that $20,000 or, if married, a combined net income of not more that $30,000; and own assets not in excess of $60,000 excluding the value of the person's residence. Recommended by the Selectmen. (Majority vote required).

Moved: Lawrence Robinson Seconded: Gina Paight

Mr. Robinson spoke to his motion.

Passed: Voice vote in the affirmative.

Article 16: To see if the Town will vote to increase the members of the Recreation Committee from five (5) members to seven (7) members and per RSA 35-B:4 authorize the Selectmen to appoint these members to serve staggered terms of 3-years each, effective March 2009 per RSA 669:17-b.

Moved: Gina Paight Seconded: John Northcott

Gina Paight spoke to her motion.

Passed: Voice vote in the affirmative.

Article 17: To hear reports of Town Agents, Auditors, and Committees.

Moved: Lawrence Robinson Seconded: Gina Paight

Mr. Robinson spoke to his motion, asking that the above be accepted as printed in the Annual Report.

Mr. David Durocher asked that the spelling of this name be corrected on page 42.

Passed: Voice vote in the affirmative.

Article 18: To transact any other business that may legally come before this meeting, or take any action thereon.

Chief Lyons spoke regarding the addition of a bicycle unit to Town, due to the donation from a Town business, stating also that the business making the donation wishes to remain anonymous. Patrolman Barry presented the bicycle to those in attendance.

The Board of Selectmen stated their wish to have the minutes reflect their wholehearted thanks for this anonymous donation.

Mr. Robinson made the motion to end the business session of the Town Meeting at 8:13 pm. Seconded by John Northcott.

The Moderator stated that the polls for the Town would remain open until 9:00 PM.

At 9:00 PM the Moderator, after determining that everyone who wished to vote had done so, closed the polls.

Counting of the ballots ensued.

Results of Voting on Proposed 2008 Town Ordinance Amendments:

1. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board to change Town Ordinance Section 6.4.D.4 (Table of Use Regulations, Principal Uses; Business) from: Drive-through restaurants to: **establishments offering drive-through services involving the sale of food and/or beverages.**

Explanation: This change broadens the definition of drive-through restaurants to include any business that provides a drive-through food and/or beverage service.

The Planning Board recommends passage of this amendment.

YES: 134 NO: 51

2. Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board to change Town Ordinance Section **9.8 Casual Sales** to read: All yard, garage, tag, porch, or other casual sales shall be limited to two (2) events per year per household, for no longer than two (2) consecutive days per event.

Explanation: This change was requested by the Board of Selectmen to allow for regular yard sales, but to restrict frequent or ongoing sales that create traffic hazards and are conducted as businesses.

The Planning Board recommends passage of this amendment.

YES: 136 NO: 47

3. Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board to add a definition to Town Ordinance Section 2 (Definitions) as follows: 2.75 Kennels: Establishments with four or more dogs used for commercial purposes such as, but not limited to, breeding, training. boarding and housing.

Explanation: This addition was requested by the Board of Selectmen to define the criteria for commercial kennels. This definition would also be referenced in Section 6.4.D.19 (Kennels, Commercial Stables and Riding Academies).
The Planning Board recommends passage of this amendment.

YES: 147 NO: 39

4. Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board to revise Town Ordinance Section 2 (Definitions) as follows: 2:22 Elderly Housing: Residential buildings with three or more residential units under common ownership, the tenancy of which is restricted to persons 55 years of age or over. Includes both private and federally subsidized ownership.

Explanation: This change defines the criteria for elderly housing as referenced in Section 6.4.

The Planning Board recommends passage of this amendment.

YES: 155 NO: 30

Voters on Checklist: 1454 Ballots Cast: 192

On a motion of Lawrence Robinson to adjourn, seconded by Bernadette Schillemat, the Town Meeting was adjourned by Moderator Fletcher at 9:54 PM.

MARLBOROUGH SCHOOL DISTRICT
2009 WARRANT/BUDGET
AND SCHOOL REPORTS

CHAIRMAN'S REPORT

Marlborough Residents,

Let me start off with an introduction of the changes the Marlborough School Board has seen the past year. I am serving the third year of my term and my first year in the role of Chairperson. Lisa Mitchell was elected in March of 2008 and has already become a very active member overseeing a complete review of all Board Policies. Chris Fowler, who was also elected in March 2008, relocated in July. Julie Farhm enthusiastically filled his seat for the remainder of the year and we hope she will return to complete the term. Bob Hill is returning for his second term and his experience is invaluable.

Regretfully after saying goodbye to our Chairperson Jim Carley and long-term board member Cathy Shanahan in March 2008, we are now bidding farewell to Elaina Waibel after her years of dedicated service. I would like to personally thank her for all she has given the town in time and efforts. We are a better school for her contributions.

The New Year has brought new and exciting challenges to the Marlborough School. Rather than being confronted by a building under the threat of closing due to concerns from the State Fire Marshal, we were able to complete necessary safety upgrades over the 2008 summer break in time to open for school as planned. In addition, due to the passage of the bond for the new school building, the Fire Marshal allowed for a reduction in the scope of the longer-term improvements saving a considerable amount of cost.

After many District meetings and much debate, town voters passed authorization for a bond to build a new school on the Fitch Court "Ball Flats" site. Since that vote much progress has been made on the project. Frank Marinace Architects were officially contracted to complete the designs and building plans. They consulted with the school staff, our local New Building Committee members, and others to develop plans for the school to meet the needs of our town. MacMillan Construction Corp. was hired as the construction management firm to oversee bidding and building and they have begun the comprehensive process of soliciting bids for all aspects of construction. Current economic conditions are making the timing of building a large project quite advantageous with very competitive bids being submitted.

Applications for permits have been submitted to the State Department of Environmental Services, and pending modifications to the applications we are anticipating an early April date to begin groundbreaking. Additional permits will be sought from Departments of Transportation and Education as the process unfolds. With favorable conditions, the school should be completed within 12 months, and the arduous road we have traveled with the school will end in a new facility for the 2010-2011 academic school year.

I would like to end this report with an acknowledgment of the hard work and effort teachers, students, parents, the PTA, the administration, and the town has invested in our school. We are lucky to have such a dedicated community involved in our student's lives, and this effort was recently rewarded with test

performance that once again places Marlborough at the top of academic achievement.

The task of educating our most treasured town members falls on every one of us to give our students a quality facility conducive to learning, to provide tools and resources to the teachers directly responsible for nurturing their learning, and most importantly to stay actively involved in our school and our students lives to expand the knowledge they get during school as well as ensure we provide the highest standards of education we possibly can.

Respectfully Submitted,

Michael Briggs
Marlborough School Board Chairperson

ADMINISTRATIVE REPORT

Congratulations to the students from Marlborough, who recorded tremendous growth in reading, writing and math on the New Hampshire state assessments released on January 20th. Congratulations and thank you to staff members, who have invested their knowledge, skills, and energies in assisting students in their learning each day. Marlborough had the highest level of growth among area schools. Of the 14 school districts in the region, Marlborough achieved the second highest scores in writing and math and tied for second highest in reading. The improvement that has occurred in test scores should not be taken for granted. Continued progress is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the school.

Marlborough parents and school board members have set high expectation for our students, demanding not only excellent math, reading and writing programs but also a curriculum that includes critical thinking, social skills, citizenship, health, physical education and the arts. I believe we already have quality programs in all those areas. Marlborough School continues to focus on what matters most: the documented progress of each student—personally, socially, physically, and academically. Over the past two years, Marlborough administration and staff have worked hard to implement a comprehensive social curriculum identified as the Positive Behavior Support System (PBIS); a central tenet of this program is to develop students' sense of connection within a community. We believe this to be essential to children's well being. Once basic needs are met, the most significant need of children is to belong. When students feel disconnected and disassociated, they are more susceptible to making poor choices. Every 26 seconds, a child drops out of school. Each year in the United States, over 400,000 teens get pregnant. The more our students feel that the school community cares about them, the more likely they are to grow academically and socially. Strong student-community relationships have been linked to many positive outcomes, including an increase in learning and better behavior in classrooms.

In SAU 29 we have many great examples of programs which contribute to students' sense of belonging. School counselors from most SAU schools worked two weeks this summer revising the comprehensive guidance curriculum. One expected outcome is for students to experience a stronger sense of community.

To reinforce a sense of belonging, Keene High School has recently included aspects of the Renaissance program—a program designed to strengthen students' connections to the school community, raise the profile of academics, and make it "cool" to do well in school. Schools that incorporate Renaissance cite higher GPAs, increased attendance, improved morale, and stronger graduation rates. For example, inspired by the Renaissance program, an advisory program was successfully implemented last year for all ninth grade students. Last year, as new students came into the school for orientation, faculty lined up along a red carpet, applauding students as they walked to the auditorium. Each student had a star on the wall in the school hallway with his or her name on it. The implied message was, "If you believe in me, then I will believe in myself."

As part of this program, Keene High School formed a positive working relationship with local restaurant Olive Garden to further promote academics and scholar-athlete achievements. Olive Garden now awards dinner for the entire Keene High School team that has the highest combined GPA for each sports season.

Programs like Renaissance and Positive Behavior Intervention System help increase our students' sense of belonging. Just as we need to create a sense of community for students, we need to foster an educational community among Marlborough community members. The Marlborough community should be very proud of its students and staff; that sense of pride will deepen as we move into

the wonderful new educational facility scheduled for operation in August 2010.

Marlborough students at Keene High School continue to perform well academically and socially. Students are taking advantage of a wide range of academic courses and co-curricular activities. In English, 67 percent of the Marlborough students earned a grade of B or better. In mathematics, 48 percent attained a grade of B or higher. In science, 59 percent received a grade of B or above. In social studies, 50 percent earned a grade of B or better. In world language, 54 percent of the students attained a grade of B or higher. The overall attendance rate for Marlborough students at Keene High School was 95.6 percent—more than one percent better than the aggregate school average.

Marlborough students in the senior Class of 2008 reported their post-secondary plans as follows: University of Vermont, New Hampshire Community Technical Colleges (NHCTC) – Laconia, Marymount Manhattan, Ohio Tech, Johnson & Wales, University of Connecticut, New Hampshire Community Technical Colleges (NHCTC), New Hampshire Technical Institute (NHTI), Southern NH University, and Keene Beauty Academy.

Marlborough's young people continue to take advantage of a wide variety of activities offered at Keene High School. For example, this past year Marlborough students participated in the following: A Cappella Choir, Band, Baseball, Boys Basketball, Cross Country, Boys Lacrosse, Boys Soccer, Boys Tennis, Boys Track, Boys Volleyball, Cheshire Center Home Builders, Chorus, Class Council, Dance Team, Destination Imagination, Drama, Envirothon Team, Community Leaders of America, Football, Future Business Leaders of America, FFA, Girls Basketball, Girls Soccer, Hosa, Ice Hockey, Interact, Jazz Band, Key, Mixed Martial Arts Training, Mock Trial, National Art Honor Society, National Honor Society, Peer Mediation, Sierra, Vica, Softball, Spirit, Free Tibet, Students for Peace, Swimming and Diving, WL Honor Society, and Wrestling, among others.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and positive interaction with, the staff. One example of this is the recent school board/staff goal-setting retreat, which not only produced a focus around which planning and allocation of resources occurs, but also fosters an ongoing dynamic of cooperation and trust.

We invite you to visit Marlborough School, attend a school-related activity, or participate in a school board meeting; we encourage you to attend the Annual District Meeting on Tuesday, March 10, 2009 at 7:00 PM. Thank you for your support of Marlborough's children and their education.

Wayne E. Woolridge
Co-Superintendent of Schools

Principal's Report

I am pleased to welcome a number of new staff members to Marlborough School. They include Nicholas Drouin, Tutor; Libby Gannett, Second Grade Teacher; Diane Goodman, Spanish Teacher; Kathryn Mullen, Tutor; Cheri Nutting, Library Media Specialist; and Audrey Salzmann, Middle School Math Teacher

As of February 2, 2009 our student enrollment was 174.

PBIS (Positive Behavioral Interventions and Supports)

We have instituted a nationwide program called PBIS. It proactively and comprehensively addresses student behavior; positively impacts the school environment by reducing problem behavior, including violence and harassment, and helps improve student academic achievement. Over 140 schools in NH are currently implementing this program with good success.

Why are we doing it? Our staff and administration wanted Marlborough to be a place where students could enjoy a safe, consistent, and predictable learning environment and voted to initiate the PBIS (Positive Behavioral Interventions and Supports) system.

Who is doing it? The whole school (K-8) is involved in this plan and learning what it means to be a *Marlborough Duke*. The whole staff, as well as a few community volunteers, have had a hand in designing and implementing the program. Dr. Howard Muscott, co-director of the NH Center for Effective Behavioral Intervention and Supports, is leading and supporting our staff.

What are we doing? We are identifying behaviors for our students in each area of the school (hallways, cafeteria, classroom and playground) that are focused on the values of Respect, Responsibility, Honor and Safety. Students are rewarded for following these expectations, and are held accountable if they don't follow them. The "*Duke's Code*" is posted in the various locations so that our students will be reminded of the plan.

Is it working? Yes, it is! In the cafeteria, the noise level is getting lower, and on the playground, students are working out minor differences together before they become major problems. In our classrooms, productive learning is occurring, and our students are getting positive acknowledgements for following our Duke's Code.

How can I get more information or share my thoughts and suggestions? We are conducting a PBIS Night Dinner and Production on March 4 at 6:00 p.m. Our students and staff will demonstrate how the PBIS plan works. The school handbook has much of our printed information about the program (pages 14-17K). There is a suggestion box at the main entrance to the school, if you wish to be anonymous. You can talk to any member of the Universal team (listed below), which is the committee doing on-going work to be presented periodically to the faculty for review.

Universal Team Members: Jeannie Butler, Vivian Chiang Nielson, Robin Fairfield, Gilda Goodrich, Theresa Horne, Chris LaClair, Skip Mason, Kathy Mullen, Pat Murphy, Karen Parsells, Joyce Puleo, Audrey Salzmann and Marianne Van Valkenburg.

State testing New England Common Assessment Program

Our students made great gains in their test scores this year.
Here are some ways that Marlborough School improved our 2008-09 NECAP scores.

1. All teachers have developed a clear understanding of the NECAP areas in need of improvement by analyzing the test data.
2. Teachers studied samples of NECAP questions.
3. Teachers daily used NECAP type questions related to a review of past grade level skills for the first 6-8 weeks of school.
4. We conducted a school-wide rally to began the NECAP testing week.
5. Each teacher gave his/her class incentive to do well (extra recess, class party).
6. Students were supplied with snacks each testing day to insure adequate morning nutrition.
7. In accordance with state testing procedures, accommodations for some students included 1 to 1adult/student test monitoring.

Integration of Support Systems
We decreased our special education population this year from 16% to 12.5%. We did this by first providing a student intervention process in which classroom accommodations were made for students before special education referral was even considered. In this way, students received the early intervention they needed, while keeping costs down.

In order to provide our students with more practice and reinforcement of essential skills and concepts at each grade level, we provided the following supportive services and programs:

- Title I supplemental reading and math instruction, K-3
- Remedial reading instruction, K-8
- Special Education and Related Services
- Technology integration
- Foreign language instruction (Spanish)

Community Connections
Volunteerism from parents and community members has provided opportunities for our students and staff which otherwise would not be possible. I want to extend special thanks to PTA President, Cheri Nutting; Marlborough Chief of Police, Chris Lyons; Detective, Steve LaMears; Marlborough Fire Chief, John Manning; Hannaford Manager, Andy Harris; the Rotary Club; Verizon's Pioneers' Club; Monadnock Volunteer Center RSVP; the town road crew; transfer station operators and Marl-Harris After-School Program Director, Kim Bylanzik, for the support and encouragement they have extended to our entire school community.
We continue to provide many activities which students and parents enjoy and have come to expect:

PTA Fall Festival
Grandparents' Pumpkin Carving Day
Officer Phil Safety presentation for K-3
Turkey Trot
Friendly Meals servers
New Hampshire Dance Institute
American Heritage Tour
Fire Prevention Week
Artist-in-Residence
Middle School bowling and snow tubing
Chorus and Band performances
Kids' Closet
New England Heritage Tour
Holiday Concert
Geography Bee
Scholastic Book Fair
Student Council
KSC Owls Hoops Demo.
Aerobics for Heart
Rachel's Challenge
Monadnock Violence Prevention Anti-Bullying Program
Student and Citizen of the Month Assemblies

We continue to encourage communication with parents and the community through our weekly parent newsletter. We also have a suggestion box in the school.
These provide opportunities for people to view accomplishments, offer ideas and voice concerns.

In an effort to involve as many people in the decision making process as possible, much committee work is occurring this year. Included are the Math Program Committee, School-Wide Discipline Committee (PBIS), School Safety Committee, Handbook Committee, Policy Committee, Kindergarten/Readiness Committee and Wellness Committee. Anyone interested in becoming a member, or just sitting in on a session or two, would be most welcome.

Our athletic department continues to provide our students with seasonal opportunities. They play a variety of sports, learning how to be contributing team members and practicing good sportsmanship.

Conclusion:
As we look forward to our ground breaking for the new school, projected to be ready for occupation in August, 2010, we can look back over the past few years and see some very impressive changes which will be helpful in creating the standards we want for our new school environment. We now have school-wide expectations of behavior for our students and staff to practice, we have a deeper respect for our facility and are taking better care to see that it is a safe, well organized and attractive learning environment.
We have moved to PC based technology which allows our students familiarity with technology that is prevalent in the working world. We are instituting updated, Marlboroug District policies which allow for the consistent functioning of our school community.
We are learning to communicate better by creating time in the weekly school schedule for staff to get together and by creating committees which meet regularly for professional work.

I am proud to have been a catalyst for these important changes. I know that through these efforts there exists now a deeper understanding of the actions we all need to take to create long-term quality education and active community involvement. Thank you all for your participation.

Respectfully submitted,

Karen Parsells, Principal

**** FOR PRINTING PURPOSES ONLY. SUBJECT TO CHANGE PRIOR TO FINAL POSTING****

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs:

You are hereby notified to meet at the Marlborough School Gymnasium in said district on the 3rd day of March, 2009, at 7:00 o'clock in the evening to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

ARTICLE 2: To see if the District will vote to raise and appropriate $5,237,827 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District; or to take any other action in relation thereto. This article does not include appropriations voted in other warrant articles. *(The Marlborough School Board supports favorable action on this warrant article.)*

ARTICLE 3: To transact any other business that may legally come before the meeting.

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING OF THE MARLBOROUGH SCHOOL DISTRICT MARCH 04, 2008

Meeting called to order at 7:15 pm, by the Moderator John Fletcher. The Moderator led the Pledge of Allegiance to our country's flag and introduced staff members and visiting officials. He asked the meeting for approval to allow them to speak. He outlined the rules for the conduct of the meeting and pointed out the two separate ballot boxes.

ARTICLE 1: On the motion of Ken Kerber, supported by David Durocher, to see if the District would vote to raise and appropriate the sum of $2,700,000 (Gross Budget) for renovation of Marlborough School including, but not limited to, ventilation and moisture control, new heating system, storage improvements, security upgrades, code improvements and painting; and related costs of said renovation; and to authorize the issuance of not more than $2,700,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33); and, to authorize the school district to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and, further, to appropriate a sum up to $62,400 form interest earned on the investment of the bond proceeds toward the first bond payment; and to take such other action as may be related thereto. (Two-Thirds ballot vote required) Ballot box open at 8:30 pm for one hour, closed at 9:30 pm.

After presentations, discussion and input by residents Article 1 was voted unfavorably by paper ballot on the motion of Ken Kerber, supported by David Durocher
Yes-161 No-234

ARTICLE 2: On the motion of Jim Carley, supported by Elaina Waibel, to see if the district will vote to raise and appropriate the sum of $10,960,000 (Gross Budget) for the acquisition of land near the Fitch Ct. and Water St., intersection, planning, construction, original equipping, and related costs of a new school building, and to authorize the issuance of not more than $10,960,000 of bonds or notes in accordance with the provision of the Municipal Finance Act (RSA Chapter 33); and, to authorize the school district to issue and negotiate such notes and to determine the rate of interest thereon; and, further, to appropriate the sum of up to $184,960, of which $125,016 will come from state building aid and the remainder, $159,944 will come from interest earned on the investment of the bond proceeds toward the first bond payment; and to take such other action as may be related thereto. (Two-Thirds ballot vote required) Ballot box opened at 10:55pm for one hour, closing at 11:55 pm.

After presentations, discussion and input by residents Article 2 was voted unfavorably by paper ballot on the motion of Jim Carely, supported by Elaina Waibel.
Yes-260 No-131

Voted favorably by acclamation on a motion by Russsell Brandwein to reconsider Article 2 supported by Ed Goodrich. Meeting to be reconvened on Tuesday, April 8, 2009 at 7:00 pm in the Marlborough School Gym.

ARTICLE 3: voted favorably by acclamation on the motion of Jim Carley, supported by Michael Briggs that the District receive the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

ARTICLE 4: VOTED FAVORABLY BY ACCLAMATION ON THE MOTION OF Jim Carley, supported by Kathy Shanahan to see if the District will raise and appropriate $4,771,569 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, and further, to authorize the withdrawal of $200,000 to be used to partially fund the second year of the fire code compliance safety renovation, from the Capital Reserve Fund established by the votes on March 9, 1989, for the purposes of construction and/or renovation of buildings and/or related costs to said construction and/or renovation; or take any other action in relation thereto.

ARTICLE 5: The following resolutions were adopted on March 4, 2009 and read by Robert Hill.

WHEREAS, James K. Carley has served the School District of Marlborough as a school board member for nine years, seven of those years with distinction as chairperson; and,

WHEREAS, James K. Carley served on the New Hampshire School Administrative Unit 29 School Board's Organizational Structure Review Committee; and,

WHEREAS, James K. Carley served as Chair of the New Hampshire School Administrative Unit 29 School Board, served on the Health Insurance Study Committee, and worked tirelessly on solving facilities issues at the Marlborough School; and,

WHEREAS, James K. Carley has conducted school board meetings in a gracious, fair, and open manner; and his knowledge of the Marlborough School District budget and numerous issues related to the school building has been evident in the thoroughness of his presentations to the public; and,

WHEREAS, James K. Carley has always conducted his duties diligently and promptly, and has given his time and expertise in a manner truly reflecting his genuine interest in the Town of Marlborough, its children and the future; and,

WHEREAS, James K. Carley never succeeded in creating his special education regional funding pool, but never gave up; and,

WHEREAS, James K. Carley's commitment to education has been evidenced by his willingness to talk with, and listen to, community members to become better informed as to the needs and wants of the community; and,

WHEREAS, James K. Carley has held high expectations for himself and other board members relative to the decision making and policy development processes; and,

WHEREAS, James K. Carley is experienced, knowledgeable and dedicated; he will be missed, now, therefore be it

RESOLVED, that the School District of Marlborough, in grateful acknowledgement of James K. Carley's numerous contributions, honor itself by causing a copy of this resolution to be spread upon the records of the District as a permanent tribute to Mr. Carley, and that a copy of this resolution be present to Mr. Carley.

WHEREAS, Catherine. L. Shanahan has served the School District of Marlborough as a school board member for seven years, four of those years with distinction as vice chairperson; and

WHEREAS, Catherine L. Shanahan always represented the towns at the Keene Board Education Committee Meetings; and

WHEREAS, Catherine L. Shanahan has been a loyal advocate for the teachers of Marlborough School; and,

WHEREAS, Catherine L. Shanahan has always conducted her duties diligently and promptly, and has given her time and expertise in a manner truly reflecting her genuine interest in the Town of Marlborough, its children and the future; and,

WHEREAS, Catherine L. Shanahan's commitment to education has been evidenced by her willingness to talk with, and listen to, community members to become better informed as to the needs and wants of the community; and,

WHEREAS, Catherine L. Shanahan has held high expectations for herself and other board members relative to the decision making and policy development processes; and,

WHEREAS, Catherine L. Shanahan, with hammer in hand, volunteered on the project to investigate structural issues within the school building; and,

WHEREAS, Catherine L. Shanahan always represented the Board in acknowledgement of the staff's achievements and milestones in life; and,

WHEREAS, Catherine L. Shanahan is experienced, knowledgeable and dedicated; she will be missed; now, therefore, be it

RESOLVED, that the School District of Marlborough, in grateful acknowledgement of Catherine L. Shanahan's numerous contributions, honor itself by causing a copy of this resolution to be spread upon the records of the District as a permanent tribute to Mrs. Shanahan, and that a copy of this resolution be presented to Mrs. Shanahan.

THE MARLBOROUGH
SCHOOL DISTRICT

Voted favorably by acclamation on the motion by Michael Briggs, supported by Cathy Shanahan that no further business to legally come before the meeting, to reconvene this meeting on Tuesday, April 08, 2008.

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING OF THE MARLBOROUGH SCHOOL DISTRICT RECONVENED APRIL 08, 2008

Meeting called to order at 7:23 Pm by Moderator John Fletcher. The Moderator led the Pledge of Allegiance to our country's flag and introduced staff members. The Moderator announced the rules for the meting. The Moderator suggested that no further discussion on Article 2 was necessary given previous lengthy discussions and the size of the crowd. There were no objections raised and applause was noted.

ARTICLE 2: On the motion of Michael Briggs, supported by Elaina Waibel, to see if the district will vote to raise and appropriate the sum of $10,960,000 (Gross Budget) for the acquisition of land near the Fitch Ct. and Water St, intersection, planning, construction, original equipping, and related costs of a new school building, and to authorize the issuance of not more than $10,960,000 of bonds or notes in accordance with the provision of the Municipal Finance Act (RSA Chapter 33); and, to authorize the school district to issue and negotiate such notes and to determine the rate of interest thereon; and, further, to appropriate a sum of up to $284,960, of which $125,016 will come from state building aid and the remainder, $159,944 will come from interested earned on the investment of the bond proceeds toward the first bond payment; and to take such other action as may be related thereto. (Two-Thirds ballot vote required) Ballot Box opened at 7:30 pm for one hour, closing at 8:30 pm.

Article 2 was adopted by acclamation by paper ballot on the motion of Michael Briggs, supported by Elaina Waibel.
Yes-446 No-209

The Meeting was adjourned at 9:45 pm.

Respectfully submitted,
/s/ Susan Bemis
